DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on January 26, 2010 has been entered.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or render obvious the following:

converting broadcasting information to a predetermined message code that includes code for both type and contents of the broadcasting information based on codes previously assigned to generic types and contents of broadcasting information and stored in a code table, wherein said predetermined message code is transmitted using the CBS

recovering broadcasting information by comparing a message code of the CBS message with a predetermined code previously assigned to generic types

and contents of broadcasting information and stored in a code table that includes code for both type and contents indicated by the header of the CBS message

Claims 1, 3, 5, and their corresponding dependent claims are therefore allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
